

X-Drive Casement Easy-Grip Crank Handle

New Product Roto is excited to introduce our new **X-Drive Casement Easy-Grip Crank Handle**. The new Easy-Grip handle was designed with the hope of facilitating casement window opening to meet specific ADA requirements. It is a great addition to our casement line and is sold as a non-folding handle.

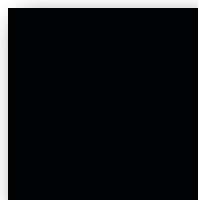

- Designed to meet ADA operation standards where operable parts shall be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate operable parts shall be 5 pounds maximum
- It is compatible with both X-Drive OP06 and OP08 operators
- Available in three finishes: White, Almond, Black
- Mounts easily to the operator worm with the included set screw
- Sold as handle only

G2 White - 00

Almond - 26

Black - 70

Part Number	Finish
OP06-7830-00	White
OP06-7830-26	Almond
OP06-7830-70	Black
